

VOLLEYBALL

POWERLite™

Designed for versatility and ease of use, this lightweight volleyball system offers a wide range of height adjustments

Its internal mechanism enables smooth net height changes by raising or lowering the pulley wheel with near-infinite precision, ensuring accurate measurements even with varying floor sleeve depths.

NCAA, NFHS, USVBA Compliant

Recommended for:
Elite, Collegiate and **NFHS Programs**

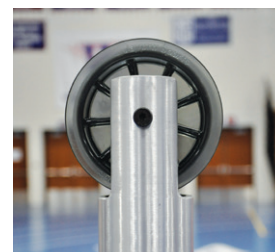

Features:

- Aluminum uprights with engraved height markers
- Infinite Height adjustable - from Club to Men's level of play
- Worm drive winch will easily tighten net and eliminate snap-back
- Recessed impact resistant pulley wheels
- Custom Graphics available on pads
