

42" RECTANGULAR GLASS CONVERSION BACKBOARD

Converts a fan shaped backboard to a rectangular shaped backboard

42" x 72" by ½" tempered glass backboard eliminates the need to alter either the playing court or backstop system. Indoor use only.

Recommended for:

Collegiate and **High School Programs**

Features:

- Direct mount (4"x 5" hole pattern) or 4 corner mounting (20" x 35")
- High strength clear anodized aluminum frame
- Goal and net sold separately
