

INDOOR PICKLEBALL POSTS

Recreational posts that are designed for the rough and tough, which makes them ideal for indoor courts

Official 36" high, round steel posts available in green or black. The powder coat finish will resist rust and increase the durability for long lasting play.

Recommended for:

Any Indoor Court using floor sleeves

Features:

- 2 $\frac{7}{8}$ " heavy-walled steel pipe
- 10" in-floor depth
- Heavy-duty self-locking winch with removable handle
- Low profile die cast top cap
- Two powder coat colors with zinc undercoat
- Floor sleeves with covers and net sold separately

Black Post
