

SOCCER REBOUNDER

Help improve practice sessions by rebounding shots, also doubles as a great practice companion for a large amount of soccer drills

The heavy wall aluminum frame has a white powder coated finish for a great look. The goal sets up in minutes with push button assembly and will withstand the most rigorous practice environment.

Recommended for:

Collegiate, High School and **Town Programs**

Features:

- 2" lightweight aluminum frame with stabilizing base plates and bottom crossbar

The powder coated white ground base assembly lies flat on the ground. The ground stake is inserted through the middle of the base to anchor it to the ground. The upright is placed over a sleeve on the base assembly, resulting in a stable goal with no visible anchor to cause a tripping hazard.

- 1½" sq. mesh net with bungee net attachments and carry bag included

7½'H x 18'W - Medium
