

# Indoor Divider Curtain Colors

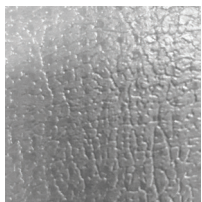

Divider curtains are constructed of high quality reinforced vinyl. Fold-Up and Walk-Draw curtain seams run vertically and are electronically welded with a 1-inch full contact weld. Vertical seam fusion has a superior construction advantage over horizontal seams and resists tearing and breakaway.

## A) 18 oz. Solid Vinyl

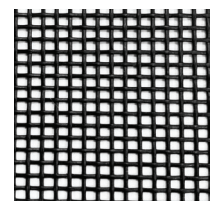

General: solid fabric is a vinyl coated polyester  
Weight: 17oz to 19 oz. per square yard (avg.)  
Resistance to Rot, Mildew & Fungus: Excellent
