

Cleaner and Degreaser

CLEANS EVERYTHING

Titan Green™ Multipurpose Cleaner is a super-strength concentrated cleaner with exceptional cleaning ability and degreaser. It can remove dirt, grease, adhesives, oil, wax, and many other problem stains. It cleans everything washable and produces spectacular results. You can use it on all surfaces, including walls, floors, machinery, carpets, equipment, vehicles, upholstery, clothing, counters, appliances, walkways, masonry, windows, and much more. Titan Green has a pleasant fragrance and rinses extremely clean. It has been proven in commercial and industrial use as an extremely effective and convenient specialty cleaner. Users include leaders in the restaurant, hotel, automotive, and janitorial industries, along with thousands of companies, stores, offices, contractors, schools, and detailers.

- ✓ **SUPER CONCENTRATE.** Mix with water to make light, medium, medium-heavy, and heavy-duty strengths to create the exact cleaner you need for the job at hand.
- ✓ **VERSATILE.** Apply with a trigger sprayer, pour it, add it to your pressure washer or ultrasonic cleaner. Hundreds of uses.
- ✓ **AQUEOUS.** Water-based product replaces cleaners containing solvents, caustics, or harmful acids.
- ✓ **ENVIRONMENTALLY FRIENDLY.** Super concentration means minimum packaging. Contains no chlorinated solvents, phosphates, phenols, alcohol, ammonia, acids, or abrasives.
- ✓ **NON-FLAMMABLE.** Non-hazardous water-based formula.
- ✓ **NO VOLATILE ORGANIC COMPOUNDS (VOCs).** Does not harm air quality.
- ✓ **USDA APPROVED.** Can be used for food prep areas.
