

Steel Chain for Gas Cylinder Support Brackets, 41" Long - 35366

Product Images

Short Description

- Chain is 41-inches long
- Heavy duty size 2/0 steel chain with twist link

Description

For an improved level of safety for any installation, most brackets, stands, and carts include openings to retrofit secondary support chains, one chain for each cylinder strap. Welded and plated, heavy-duty size 2/0 steel chains with twist link allows links to lay flat against the cylinders, enabling a tighter fit and preventing damage to required labeling. Chains are 41-in (1041-mm) long.
