

12 Gallon, 2 Doors, Self Close, Corrosives/Acids Safety Cabinet, ChemCor® Piggyback, Blue - 8913222

Product Images

Short Description

- Expand storage and safely segregate corrosives
- Provide complete protection from harsh acids and corrosive chemicals
- Fire-protection and code compliance
- 100% seamless thermoplastic coating protects interior surfaces from corrosion
- FM-approved

Description

Research environments using many different types of chemicals have special storage requirements. Whether using acids, bases or solvents, it is critical that incompatible liquids are segregated to avoid disastrous explosions or fire. The SDS (Safety Data Sheet) should be reviewed to determine chemical characteristics and recommended storage practices.

Designed to mount on top of our standard 30- and 45-gallon (114- and 170-L) safety cabinets, these Piggyback cabinets create a safe storage space without taking up any valuable floor space. Cabinets can also be used independently as a wall-mount unit or on a countertop.

The ChemCor® thermoplastic coating on all interior surfaces provides superior protection against corrosion from drips and off-gassing from harsh chemicals. Non-porous surface resists staining and cleans up easily.

ChemCor® Lined Piggyback Acid Safety Cabinets have the same quality features found in Justrite's flammable cabinets — including double-wall, 18-gauge (1mm) welded steel construction, 2" (51mm) liquid-tight containment sump, dual vents, adjustable shelves, three-point stainless steel bullet self-latching doors with U•Loc™ padlockable handle and Haz-Alert™ reflective warning labels. An all epoxy baked-on powder-coat finish, inside and out, provides increased chemical resistance. Interior ChemCor® liner ensures complete corrosion resistance and protection. Self-close door(s) shuts and latches automatically when a fusible link melts at 165°F (74°C) under fire conditions. Unique, concealed self-closing mechanism offers obstruction-free access to contents.

Self Close models meet OSHA, NFPA 30, NFPA 1 and the International Fire Code. Cabinets are FM approved and come with a ten-year warranty.

Specifications

Model No	8913222
UPC	697841112537
International Model No.	8913222
Color	Blue
Pallet Quantity	2
Material Specifications	18-Gauge Steel
FM Approval	Yes
OSHA Compliance	Yes
Complies with International Fire Code	Yes
Complies with NFPA Code 30	Yes
Complies with NFPA 1 Fire-Code	Yes
Capacity	12 gallon
Liter Capacity	45
Number of Doors	2
Door Type	Self-close
Adjustable Shelves	No
Dimensions, Exterior	18" H x 43" W x 18" D 457mm H x 1092mm W x 457mm D
Dimensions, Interior	13" H x 39.5" W x 14.6" D 330mm H x 1003mm W x 370mm D
Height (Inches)	18
Width (Inches)	43
Depth	18
Net Weight, lbs	110.0
Net Weight, kg	49.9
