914483	Ultra Thin Gel-Foam Cushion w/LSI Cover	20" x 16" x 1"	Each

### Purpose

Skil-Care's Gel-Foam Cushion is a combination gel and foam cushion designed to relieve pressure. The water based gel surface provides cooling action that reduces skin-damaging perspiration.

### Important Safety Reminder

The Low-Shear cover has a safety strap that prevents the cushion from slipping off the seat. This strap must be secured to the wheelchair frame.

### Easy Care

The vinyl cover may be wiped clean using a damp cloth and spray-type cleanser. A mild disinfectant may be used. The Low-Shear outer cover can be laundered and dried at temperatures that do not exceed 180°F (82°C). Do not use bleach.
