### Purpose

Skil-Care's Gel Foam X-Cushion is a combination gel and foam cushion designed to relieve pressure. The waterbased gel surface provides cooling action that reduces skin-damaging perspiration.

### Important Safety Reminder

The Gel Foam X-Cushion with a cloth outer cover has straps with buckles that must be secured to the wheelchair to prevent the cushion from sliding off the seat.

### Easy Care

The vinyl cover may be wiped clean using a damp cloth and spray-type cleanser. A mild disinfectant may be used. The Low-Shear outer cover can be laundered and dried at temperatures that do not exceed 180°F (82°C). Do not use bleach.
