Purpose

The Starry Night Gel-Foam Pad features a surface layer of water-based gel that relieves interface pressure while cooling the skin to reduce perspiration. The high-density foam base adds both comfort and stability.

Important notice

The Sittin' Pretty Starry-Gel Pad has safety ties that must be secured to the wheelchair to prevent the cushion (and possibly the user) from slipping off the wheelchair seat.

Easy care

Skil-Care's Sittin' Pretty Econo-Gel Pad is heat sealed to prevent urine and other fluids from seeping into the cushion. The vinyl cover may be cleaned with a spray-type cleanser. A mild disinfectant may be used.
