For child's safety, garment should fit snugly.  
 This garment is not flame resistant.  
 Loose-fitting garment is more likely to catch fire.

**WEAR SNUG  
 FITTING  
 NOT FLAME  
 RESISTANT**

In compliance with US Code of Federal Regulations 16 CFR Part 1615 and 16 CFR Part 1616, Rabbit Skins sleepwear is "tight-fitting" as defined by 1615.1(o) and 1616.2(m).

In addition, all sleepwear will be sold with attached yellow hangtags and updated back neck labeling so as to meet the requirements as stated by the CPSC that all tight-fitting sleepwear must "bear a hang tag alerting buyers that the garments are not flame-resistant and should be worn snug fitting because loose-fitting garments are more likely to catch fire".
