

Bin Carts and Cabinets

Carts and Cabinets are designed for rugged Factory use, yet attractive for use in an office.

LEWISBins+ Bin Carts are designed for rugged factory use, yet attractive for use in an office. Transports equipment and small parts from one workstation to another. MCPB models offer double sided design for easy access in any work space and lipped tray to hold items in place during movement. The MC3624-12 offers four locked drawers and enclosed area for 12 bins. LEWISBins+ Wall-Mounted Bin Cabinets, available in 3 sizes, easily mount to work-station walls. The efficient cabinet depth and heights optimize wall space. All are lockable for secure storage of high-value items.
