HANG-UP CARD

Straight Cut Aviation Snip AES-3303-S

Powerful and superior quality aviation snip with vinyl grip.

HANG-UP CARD

Sheet Metal Nibbler with Wire Cutter AES-3900

Cuts by using a nibbling process in which the center blade cuts materials against two stationary side blades. Causes less material edge warping than metal shears. Also works on plastic sheets and tubing without distortion.

- Cuts mild steel up to 18 gauge
- Cuts aluminum, brass & copper up to 14 gauge
