

### 27 Pc. Punch and Chisel Set

- Precision hardened chisels for cutting metal rivets, bolts, and nuts
- Pin punches for driving out pins and rivets during final removal
- Center punches for marking center lines or pilot drill locations
- Long taper punch lets you install or remove pins and shafts, and aligns holes with ease
- Starter punches for both starting and installing pins or rivets
- Includes tool roll for storage and organization

82274	5/32" x 5-1/4" Pin Punch		

### 19 Pc. Punch and Chisel Set

- Manufactured from high alloy steel for incredible strength
- Heat treated for long lasting durability
- Cutting edges and tips ground to a precise angle for improved performance and a longer tool life
- Black oxide finish with a visible "Wear safety goggles" reminder
- Hex stock fits securely into a punch and chisel holder and doesn't roll on work surfaces
- Made in the USA
- Includes tool roll for storage and organization

82272	3/32" x 4-3/4" Pin Punch	82285	1/8" x 4-1/2" Starter Punch

**Pin Punches**

- Used to drive out pins and rivets during final removal
- Softened and tapered striking end reduces the potential to chip
- Ground surface for improved ease of identification
- Precision hardened working end
- Meets or exceeds ASME B107.47

**10 Pc. Tool Steel Pin Punch Set**

- Manufactured from shock-resistant tool steel for unequalled strength, toughness, and durability without brittleness
- Full shank is heat treated, hardened, and tempered to extend the life of the tool
- Pin area is precision ground to prevent binding in the work area
- Modified parabolic head directs striking force to the center of the tool to resist mushrooming or chipping
- Black oxide finish inscribed with a visible "Wear safety goggles" reminder
- Hex stock fits securely into a punch and chisel holder and reduces rolling on work surfaces
- Made in the USA
- Includes tool roll for storage and organization
