Saturn (6) 00 - 06	2573	24mm	CH8806	L15309	PZ56	VO73	S8806	CF5309	WP2224

*Can also use #2465 HD Style

When installing Housing Cap, tighten to the specified torque printed on the Cap (most at 25Nm / 18 ft. lb.)

WARNING!

Over-tightening may cause leakage and may damage the housing! Use CTA #8940 Torque Wrench for best result

Due to possible changes by manufacturers, there may be errors in this chart.
