

*Impact Sockets,
Chisels & Attachments*

EVERYTHING IMPACT.®

GP is **EVERYTHING IMPACT**®

Grey Pneumatic (GP) through our distributors supplies the world's automotive, industrial, assembly, mining, maintenance, construction, and energy industries with heavy duty, high quality impact and specialty sockets. We carry a complete line of Impact Socket sets and individuals from 1/4" drive thru 2-1/2" and #5 spline drive with hex sizes up to 8". We also offer a large selection of star impact drivers, impact hex drivers, triple square drivers, torque limiting extensions plus Impact chisels and accessories.

GP sockets and tools are made in Taiwan using the highest quality chrome-molybdenum alloy steel and state-of-the-art manufacturing processes and equipment. Thorough and exact heat treatment, as well as rigid quality control, ensures the correct balance of strength and durability to deliver outstanding performance at the most competitive cost.

GP Tools are available through Automotive and Industrial warehouse distributors, tool stores, mobile tool truck dealers, tire equipment and supply warehouses and other sources that service these markets.

GP offers **Fast and Reliable** service to all of our distributors and their customers.

*GP Tools carry a
Lifetime Warranty.*

All GP Impact Sockets feature the GP "High Torque" Drive

Benefits are:

Increased Strength - Transfers the pressure from the thinnest part of the socket wall toward the thicker section, resulting in increased strength.

Increased Torque - Allows up to 20% more torque to be applied than on standard hex impact sockets.

Easier Access to Tight Areas - The shift in pressure allows us to reduce the socket wall thickness, increasing access to tight areas.

Reduced Wear - Our impact sockets grip the fastener across a broader contact area, reducing the chance of rounding off fasteners.

*GP "High Torque"
drive offers many
benefits.*

*All GP Sockets feature
extra-large size markings
for quick identification.*

No. CS110 General Service Impact Chisel Set

.401

This set contains the most popular .401 shank chisels to handle a wide variety of job types.

10 piece set contents:

- | | |
|-----------------------------|------------------------------------|
| CH116..... Rivet Cutter | CH118..... Bushing Splitter |
| CH102..... 3/4" Flat Chisel | CH120..... Muffler Cutter |
| CH113..... Straight Punch | CH125..... 5/16" Nut Splitter |
| CH111..... Tapered Punch | CH115..... Dual Blade Panel Cutter |
| CH110..... Panel Cutter | CH117..... 1" Hammer |

Packaged in a molded storage tray with hanging box for display.

No. CS106 Exhaust Service Impact Chisel Set

.401

This set contains the most popular .401 shank chisels for exhaust and muffler service.

6 piece set contents:

- | | |
|-----------------------------|-----------------------------------|
| CH102..... 3/4" Flat Chisel | CH121..... Muffler & Pipe Cutter |
| CH119..... Tailpipe Cutter | CH122..... Outside Muffler Cutter |
| CH120..... Muffler Cutter | CH123..... Inside Muffler Cutter |

Packaged in a molded storage tray with hanging box for display.

No. CS807 Heavy Duty General Service Chisel Set

.498

This set contains the most popular .498 shank chisels for heavy duty service work.

7 piece set contents:

- | | |
|-----------------------------|------------------------------------|
| CH801..... 5/8" Flat Chisel | CH815..... Dual Blade Panel Cutter |
| CH811..... Tapered Punch | CH816..... Rivet Cutter |
| CH813..... Straight Punch | CH818..... Bushing Splitter |
| | CH817..... 1-1/4" Diameter Hammer |

Packaged in a molded storage tray with hanging box for display.
