

*Impact Sockets,  
Chisels & Attachments*

**EVERYTHING IMPACT®**

# GP is **EVERYTHING IMPACT®**

Grey Pneumatic (GP) through our distributors supplies the world's automotive, industrial, assembly, mining, maintenance, construction, and energy industries with heavy duty, high quality impact and specialty sockets. We carry a complete line of Impact Socket sets and individuals from 1/4" drive thru 2-1/2" and #5 spline drive with hex sizes up to 8". We also offer a large selection of star impact drivers, impact hex drivers, triple square drivers, torque limiting extensions plus Impact chisels and accessories.

GP sockets and tools are made in Taiwan using the highest quality chrome-molybdenum alloy steel and state-of-the-art manufacturing processes and equipment. Thorough and exact heat treatment, as well as rigid quality control, ensures the correct balance of strength and durability to deliver outstanding performance at the most competitive cost.

GP Tools are available through Automotive and Industrial warehouse distributors, tool stores, mobile tool truck dealers, tire equipment and supply warehouses and other sources that service these markets.

GP offers **Fast and Reliable** service to all of our distributors and their customers.

*GP Tools carry a  
Lifetime Warranty.*

## **All GP Impact Sockets feature the GP "High Torque" Drive**

### **Benefits are:**

**Increased Strength** - Transfers the pressure from the thinnest part of the socket wall toward the thicker section, resulting in increased strength.

**Increased Torque** - Allows up to 20% more torque to be applied than on standard hex impact sockets.

**Easier Access to Tight Areas** - The shift in pressure allows us to reduce the socket wall thickness, increasing access to tight areas.

**Reduced Wear** - Our impact sockets grip the fastener across a broader contact area, reducing the chance of rounding off fasteners.

*GP "High Torque"  
drive offers many  
benefits.*

*All GP Sockets feature  
extra-large size markings  
for quick identification.*

# 1/2" Drive Impact Attachments

## 1/2" Drive Extensions SAE

Standard

Locking

Item Number	Description	Socket Retention Device	Dimensions (Inches)	
			A	E
Standard Extensions				
2243E	3" Extension	Friction Ball	.98	2.95
*2243EH	3" H.D. Extension	Friction Ball	1.18	2.95
2243EL	3" Extension	Locking Pin	.98	2.95
2245E	5" Extension	Friction Ball	.98	4.92
*2245EH	5" H.D. Extension	Friction Ball	1.18	4.92
2245EL	5" Extension	Locking Pin	.98	4.92
2247E	7" Extension	Friction Ball	.98	6.89
2247EL	7" Extension	Locking Pin	.98	6.89
2210E	10" Extension	Friction Ball	.98	9.84
2210EL	10" Extension	Locking Pin	.98	9.84
Extra-Long Extensions				
2259EL	18" Extension	Locking Pin	.98	18.11
2269EL	24" Extension	Locking Pin	.98	24.00
2279EL	36" Extension	Locking Pin	.98	36.00

\*Heavy Duty Extensions for severe service applications.

## Locking Extensions

These locking extensions feature a positive locking ball and sliding collar for quick release of sockets and accessories. Useful in hard to reach areas where a positive lock on the socket is required.
