

3 Row Socket Trays

Innovative Tool Storage For The Professional In Everyone

The Hansen 2 Row Socket Trays are the #1 requested socket organizer by industry professionals for over 20 years. The popularity of the semi-deep created the need for our new 3 row socket trays to accommodate the shallow, semi-deep and deep sockets all in one holder. Attractive pad-printed socket size on each post for easy identification. 100% Made In the USA backed with a lifetime warranty.
