

# Wrench Racks

## Quik-Pik SAE & Metric Wrench Racks

Quik-Pik Wrench Racks organizes wrenches while the clear labeling makes sizes easy to grab and go. Empty slots quickly show which wrenches are missing. Spring tabs in each slot keep wrenches in place. Low profile, fits 2-inch deep toolbox drawers. Molded in carry handle, "Butterfly" type display hook hole molded in.

Each tray pad printed with the following wrench sizes:

**Part No. 5301 (RED)** – SAE:

1/4, 5/16, 3/8, 7/16, 1/2, 9/16, 5/8, 11/16, 3/4, 13/16, 7/8, 15/16 & 1"

Holds 13 Wrenches; Size: 12 1/2"L x 6 1/4"W x 1 1/4"H

**Part No. 5302 (GREY)** – Metric:

7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18 & 19mm

Holds 13 Wrenches; Size: 12 1/2"L x 6 1/4"W x 1 1/4"H

## Custom Organize SAE or METRIC Wrenches

Tough polypropylene rack has 13 pairs of wrench slots and comes with two sets of peel-off labels: One in Metric sizes 6mm through 20mm and the other in SAE sizes, 1/8-inch through 1-inch.

Wrench Racks can even be customized by combining Metric and SAE sizes. Spring tabs can also be trimmed to custom fit extra thick wrenches.

This image shows attaching label.
