

Hutchins introduces the Latest Addition to our Family of Straight Line Sanders The Model 2011 Mid-sized Hustler II

Designed for leveling areas larger than the 2023
The 2011 offers:

- Triple counterbalance system
- 2-cylinder twin drive vertically engaged gear system
- Vibration Free Reciprocal Stroke

The 2011 is shipped with an 11" PSA pad using 2 3/4" Abrasive rolls. An 11" Hook it pad is also available.

Part #	Model#	Action	Pad Size	Air Consumption	Speed	Noise
