WATERBORNE

## Discover compressor-free curing for waterborne coatings.

Waterborne Systems for use with both waterborne and solvent coatings, offer rapid drying times and are a compressor-free alternative for the heavy air demand in most body shops. Infratech offers a standard four-position Speed Dry system and a Speed Dry and Heater combo unit for increased speed and versatility.

SPEED

COVERAGE

VERSATILITY

### MODEL SPEED DRY

Part No. 15-1000

- Large coverage area creates faster drying times
- Ideal for use with waterborne or solvent coatings
- Energy efficient fixture operates for only pennies per day
- Unit rotates horizontally or vertically in four positions
- Product is compressor-free and requires no maintenance
- Height stand adjusts up to 6' high

#### SPECIFICATIONS

<b>120</b>	<b>1</b>	<b>24"</b>	<b>25</b>
<b>VOLTS</b>	<b>AMP</b>	<b>HEADS</b>	<b>LBS</b>
