* 314A air angle polisher / buffer and 319A sander not pictured.

311A

Dual-action Quiet Air Sander — 6" Pad

A built-in silencer muffles noise as you work with this economical dual-action sander. It's a quality sander used for feather edging, metal preparation, and finish work on body filler. And its dual-action pad motion produces swirl-free finishes.

- Low vibration
- Balanced ball bearing construction
- Adjustable built-in regulator for positive speed control

328B

Gear-driven Orbital Air Sander — 8" Pad

The smooth strength and power of this air-gear-driven orbital sander lets you remove heavy material and body filler on large, flat surfaces leaving a clean, swirl-free finish.

- Dual-action pad motion (5/32" orbit)
- Long-life, low-vibration performance
- Balanced ball bearing construction

313A

Angle Air Sander — 7" Pad

With up to 5,000 rpm free speed, you can work faster on light and heavy sanding jobs, including roughing body filler, removing rust, and smoothing welds.

- Heavy-duty motor handles tough jobs
- Lightweight, only 4.5 lb
- Ball bearing construction for long life

318A

Vertical Air Polisher / Buffer — 7" Pad

Buff and polish all painted surfaces easily. This compact, lightweight vertical polisher / buffer gives you the results you want. The variable speed control lever throttle helps eliminate paint burning. Comes complete with a 7" backing pad.

- Long tool life from the planetary gear reduction feature
- Plenty of power from the 1 hp motor
- Handle exhaust directs air away from work area

3128XP

Mini Random Orbital Sander

- Delivers swirl-free finishes when feather edging, removing rust, preparing metal surfaces, or smoothing welds
- Durable ball-bearing construction ensures smooth power delivery
- Includes 3" hook and loop style backing pad

Sands smoothly, leaving no swirl marks behind

3128K

Mini Random Orbital Sander Kit

- Includes 71-piece hook and loop discs

3129XP

Mini Polisher

- Free speed of 6,000 rpm delivers the same performance of polishers twice the size
- Double-sided, adjustable speed settings provide variability for a broader range of applications
- Includes 3" hook and loop style backing pad

Ideal for a smooth, professional finish

3129K

Mini Polisher Kit

- Includes 4-piece hook and loop pads
