

Ingersoll Rand Managed Warranty Service

SIMPLE and FAST

Pick an Option:

- Complete an online warranty service request form
([link for US](#)) __ ([link for Canada](#))

Or

- Email us IRRepairService@irco.com

Or

- Call [800-483-4981](tel:800-483-4981) ([option 2, option 2](#))

Receive:

- A prepaid UPS ship tag to send the tool in for warranty consideration.†
- A 5 business day turnaround promise*.
- A unique reference number to track the request.
- Updates on the tool status and work performed.
- Visibility of past requests and actions taken.

Once setup, IR will need only a model number and purchase date for future claims.
Not sure if your tool is under warranty? [Click here](#) to see what's covered.

† Evaluations/Inspections of non-warrantable failures may be subject to an evaluation fee by the service center.

*Promise assumes typical warranty failure and excludes shipping.
