

PREMIUM MORTISE CHISEL & BIT 1/2"

1791094

These premium hollow chisel and bit sets are machined from solid bars of the finest carbon steel. They have one cutting edge, one spur and a brad point for superior performance, making consistently clean and truly square cuts.

FEATURES

- Ground and hardened carbon steel for efficient performance and long life
- Extra long bit for compatibility with different mortisers
- Makes consistently clean cuts with smooth side walls
