B.A.S.H \$1000 Guarantee

WILTON B.A.S.H® Striking Tools with Unbreakable® Handle Technology are quite simply the most durable on the market, outperforming wood and fiberglass handled hammers strike after strike. We are so confident in the WILTON B.A.S.H® Unbreakable® Handle Technology that for 2 full years after purchase, break the handle under normal wear and tear and receive \$1,000.

JPW Industries will pay you \$1,000 in cash if the handle of a B.A.S.H® hammer you own breaks (severs) during normal use within two years after the date of purchase. This payment is in lieu of any other remedy for a product defect you may have, including breach of any other express or implied warranties. The B.A.S.H® \$1,000 Guarantee does not apply to breakage that results from use of the hammer other than as a hand-held striking tool, nor to defects involving the hammer head, including but not limited to, separation of the head from the handle or head breaking.

How to Make a Claim

The hammer must be returned for examination, postage prepaid, to a location designated by us. For the name of the location nearest you, please call 1-800-274-6848. You must provide proof of initial purchase date, and an explanation of how the handle broke must accompany the merchandise. If we determine you are covered by the Unbreakable® Handle Guarantee, we will send you \$1,000. If our inspection discloses a defect but you are not covered by the B.A.S.H® \$1,000 Guarantee, we will repair or replace the product, or refund the purchase price, at our option, in accordance with our standard limited warranty above.
