VERSATILE DRILL PRESS VISE CONT. NUT 1335, 3" JAW WIDTH, 2-3/4" JAW OPENING

63238

The rugged design and large workload capacity of these vises makes them perfect for the most difficult drilling, tapping, or reaming operations. They are made from high grade cast iron and feature a ground vise bed for smooth and consistent jaw movement. The 1400 Series is designed with a "Rapid Acting Nut" for fast loading and unloading of production material.
