### FEATURES

- Dead blow function eliminates bounce back when striking hardened surfaces
- Unbreakable® Handle Technology - steel core eliminates breaking during overstrikes
- Spark-resistant for safe use near combustible materials - no exposed metal on face, head or shaft
- Soft face helps prevent marring
- Ergonomic Handle - shaped and thickened for improved comfort and less vibration
- No-Slip Grip - Vulcanized rubber handle for secure grip while striking
- Lanyard Hole - Safely secure hammer to wrist or stationary object
