SWIVEL-GRIPPER™
“NO-SLIP” FILTER WRENCH

Tough, Stainless Steel Band with Permanently Bonded Textured Coating for Superior Gripping Power...won't Slip.

Swivel handle makes it easy to turn in tight spots. Handle swivels more than 180° with adjustable tension. Tension adjusting nut allows swivel pressure to be regulated — no more floppy filter wrenches. Patented coating process adds many additional gripping points to securely grab the filter. Extra Small Swivel-Gripper has a special narrow 1/2" band to fit into tight places. Can also be used on some fuel filters. Large Swivel-Gripper fits many tractors and other farm implement products.

57010 Extra Small Swivel-Gripper. Range 2.375" - 2.625" (60.3 - 66.7mm).

Skin-packed. Shipping wt. 12 oz.
