42810 PLASTIC CLIP REMOVAL PLIERS

For Easy Removal of Plastic Push Pin Type Panel Fasteners with Center Pins.

Needle nose pliers design fits into recessed pin locations found on some GM vehicles. Designed to prevent damage to the pin or anchor. Also works on traditional clips. Integrated spring makes tool easier to use. Built-in cutter allows technician to cut off fastener head in stubborn applications. Pliers can also be used to remove automotive fuses from panel. The narrow tip design works great on ATO, Micro, Mini Blade, Maxi and Pal type fuses.

42810 Plastic Clip Removal Pliers. Skin Pack. Shipping wt. 7 oz.
