DRIVING INNOVATION TOUR™

The Driving Innovation Tour™ is an interactive tool demonstration on wheels. The Makita® fleet of fully-custom vehicles is traveling across America, bringing users ONE SYSTEM and the world's largest 18V lithium-ion cordless tool system. Each Tour event features over 100 LXT tools and power equipment with interactive displays and hands-on demonstrations focusing on construction trades, dust management, landscaping, and more. Driving Innovation delivers high-energy events and a 360-degree experience with the very latest in cordless innovation as well as sweepstakes, giveaways, and sales promotions. Experience the Makita® Advantage at a Driving Innovation Tour™ event.

DRIVING INNOVATION TOUR FINDER

Use our Tour Finder and search where you can experience the Makita® Advantage at a Driving Innovation Tour Event.
