CONTROL : Auto-stop function automatically stops inflation when preset air pressure is reached

CONVENIENCE : High visibility pressure gauge display with back light

INCLUDES : Includes - (2) 12V max CXT® Lithium-Ion batteries, charger and tool bag

ABOUT MODEL

Inflate tires or sports balls quickly with the 12V max CXT® Cordless Inflator. The tool features a digital screen with backlight, LED light, and an auto-stop function when the desired pressure is reached.

For longer run time, 12V max CXT® cordless tools are also compatible with the 12V max CXT® Lithium-Ion 2.0Ah and 4.0Ah battery (sold separately). 12V max CXT® Lithium-Ion batteries are engineered with a Battery Protection Circuit that protects against overloading, over-discharging and over-heating. It's part of the expanding 12V max CXT® series, combining performance with superior ergonomics in a compact size.
