Mayhew's plated rolling head and alignment pry bars feature two work ends that are preferred during vehicle assembly, disassembly and adjustment operations. Ideal for prying, positioning, lifting and aligning applications that need greater leverage. When the job is done these specialty plated pry bars are easy to clean and ready for the next heavy duty project. While perfect for the automotive mechanic, Mayhew's plated bars are also ideally suited for agriculture, mining, industrial MRO, construction, oil and gas, rigging operations and more. USA made, professional grade, lifetime warranty. Available in open stock and in three piece assorted sets.
