Dull Aluminum Blast

A superior grade coating formulated with acrylic resin for best adhesion and maximum durability. This non-leafing pigment prevents it from rubbing off after application and is ideally suited for alternators, calipers, water pumps and transmission housing. Gives rebuilt aluminum parts a factory-fresh appearance. Won't smudge with excellent 1-coat coverage. For use on most metal and wood. Resists corrosion and abrasion and is heat resistant to 250° F. VOC Compliant in all 50 States.
