- Light weight suit helps reduce fatigue & overheating
- Durable nylon on front & breathable cotton on back helps to keep the operator cool
- Excellent choice for short term or intermittent blasting jobs
- Also great for non-blasting persons working near the blast area
- Easily handles painting & other messy projects
- Hook & loop closures and elastic waste band for sizing and comfort
- Front Velcro[®] closure covers heavy duty zipper
- Large collar helps protect the neck area
- Washing instructions:
 - Hand wash with mild detergent
 - Drip Dry
