

CORDLESS GREASE GUNS

- A well balanced design helps make hard-to-reach fittings easy to service, simplifying the lubrication process.
- Two way loading, 14 oz. grease cartridge or bulk.
- Knurled barrel for secure grip.
- The planetary gearbox and reciprocating piston provide 7,000 psi and approximately 3 oz. of grease per minute.
- Grease hose with heavy duty coupler, battery and 1 hour quick charger, heavy duty plastic storage case.

GREASE GUN ACCESSORY KIT

- For all types of grease lubrication applications.
- Accessories included (left to right)
 1. 90 degree angle tip
 2. Straight extension tip
 3. Slide on 90 degree coupler
 4. Rubber tipped nozzle
 5. Needle nozzle
 6. 360 degree coupler
 7. 12" hose extension
