

# Lock in the Continental Grip in Seconds with the Start Rite Grip Trainer<sup>®</sup>

MSRP \$35/dozen  
**LESS THAN \$3 EA.**

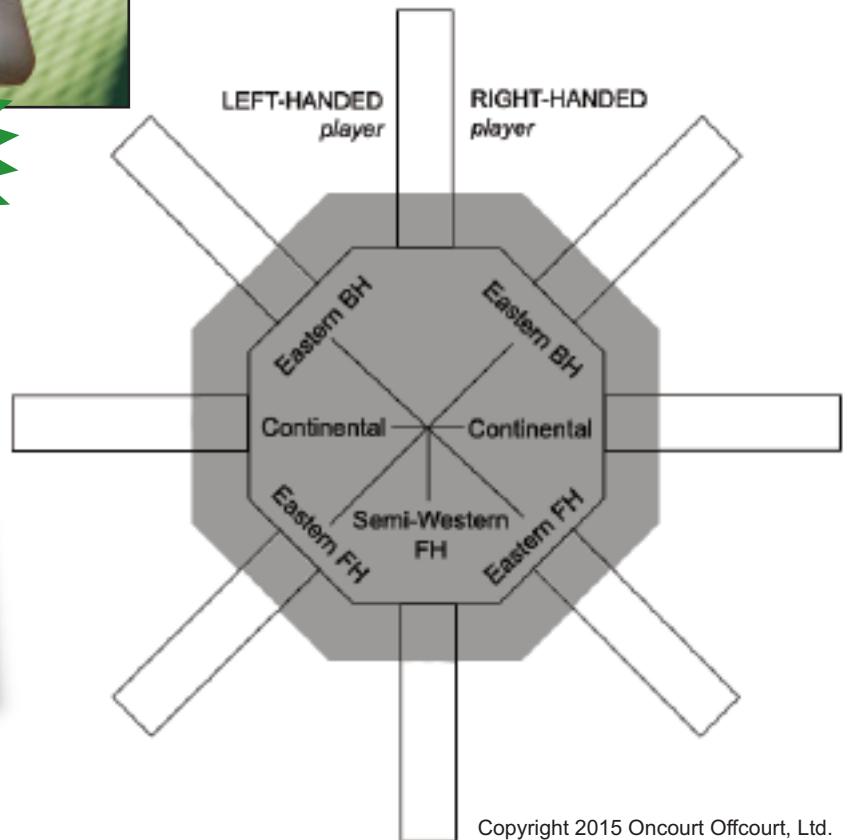

What else does the Grip Trainer do?

- Automatically **locks in all grips** in seconds and keeps them there!
- Eliminates teacher and student frustration.
- Faster success = greater player retention.
- Helps students relax their grip on the handle to swing more freely while still getting a feel for the right grip.
- Helps adjust the forehand grip from full-western to semi-western.
- Speeds up overall learning. Players will more easily focus on one grip at a time.

Developed & Created by USPTA pro Rod Schroeder

**NEW**

## EASY TO USE

- STEP 1:** Place your Start Rite<sup>®</sup> grip peg on the desired bevel.
- STEP 2:** Tightly wrap Velcro strip around racquet handle and secure.
- STEP 3:** Hold grip so peg is snug in the "V" between index and middle fingers.
