

Material Safety Data Sheet

Chemical emergency numbers USA 1-800-424-9300 (Chemtrec) Canada 613-996-6666 (Canutec) Manufacturer's phone number (708) 488-1025	Date issued: 03/2008
---	----------------------

Section 1 - Product Identification & Company Information

Chemical family:	Nitrile / PVC Blend w/PSA	Chemical formula	NA
Trade name:	Colsed Cell Sponge Rubber	Product identification number	NA
Manufacturer's name:	Duraco, Inc.		
Manufacturer's address	7400 W. Industrial Dr. Forest Park, IL 60130		

Section 2 - Composition / Information on Ingredients

Ingredients	% Weight
Blend of Nitrile and PVC	85 - 90
Spunbond Nylon	4 - 5
Rubber Based Adhesive	6 - 10

Exempt

This product is considered to be an article according to 29 CFR, hazardous communication – 1910.1200(b)(6)(v).

OSHA regulatory status

While this material is not classified as hazardous under OSHA regulations, this MSDS contains valuable information critical to the safe handling and proper use of the product. This MSDS should be retained and available for employees and other users of the product.

Section 3 - Hazard Identification

Hazard:	Molten polymer will cause thermal burns to skin. When heated irritating fumes may be produced.
Physical state:	Solid.
Color:	According to the product color
Odor:	Negligible to no odor.

Potential health effects:

Routes of exposure:	Poses no immediate hazard.
Signs and symptoms of acute exposure:	No known acute exposure effects.
Eye:	Small particles may cause irritation.
Skin:	Not irritating. Heated foam can stick to skin, causing thermal burns.
Ingestion:	Ingestion not a likely route of exposure.
Inhalation:	Inhalation of fumes and vapors generated by heating foam may cause soreness or irritation in the nose and throat. Exposure to dust may cause irritation.
Chronic health effects:	No known chronic health effects.
Conditions aggravated by exposure:	No known conditions aggravated by exposure to this material.

Section 4 - Physical & Chemical Properties

Specific gravity: (water=1) NA	Boiling point: NA
Vapor pressure: NA	Water solubility: Insoluble
Vapor density: (air=1) NA	Other: NA
Melting point: NA	

Section 5 - Chemical Stability & Reactivity			
Chemical stability:		The product is stable.	
Decomposition products:		Carbon Monoxide, Carbon Dioxide, Hydrogen Cyanide, hydrocarbons.	
Incompatibility with:		Strong oxidizing agents, acids.	
Section 6 - Toxicological Information			
Acute oral effects:		None known	
Skin effects:		None known	
Reproductive / development effects:		None known	
Section 7 - Ecological Information			
Environmental fate:		Unknown	
Bioaccumulation:		Unknown	
Section 8 - Fire Fighting Measures			
Flammability classification:		Not classified	
Flash point:		>350°F	
Auto-ignition temperature:		NA	
Flammable limits:		Lower: Not Applicable Upper: Not Applicable	
Extinguishing media:		Water, CO2, dry chemical, foam.	
Protective equipment clothing:		Recommended NIOSH / MSHA approved self-contained breathing apparatus and full protective clothing be worn.	
Section 9 - Exposure Controls & Personal Protection			
Engineering controls:		Ventilate storage and use areas to prevent accumulation of dust and fumes.	
Personal protection:		Recommended light to medium duty cloth, gloves or glasses.	
Section 10 - Transportation Information			
Proper shipping name:		Nitrile PVC Blend	
Dot hazard class:		Not regulated	
UN / NA id:	Not regulated	Marine pollutant:	Unknown
Packing group:	NA	Near guidebook:	Not regulated
Labels:	Not regulated	Dot status:	Not regulated
Section 11 - Accidental Spills Measures			
Spills response:		NA	
Section 12 - Storage & Handling			
Storage:		Avoid storage in confined areas where temperatures may exceed 40°C (104°F).	
Handling:		NA	
Section 13 - Disposal Considerations			
Use only licensed transporters and permitted facilities for waste disposal. Recycle whenever possible.			
Section 14 - First Aid Measures			
Eye:		Flush particles from eyes with clean flowing water or eye wash solution for several minutes. Seek medical attention if discomfort persists.	
Skin:		If rash or irritation develops, wash with soap and water. If rash or irritation persists, consult a doctor.	

Ingestion:	If ingested, seek medical attention.
Inhalation	If affected move affected person to fresh air. Obtain medical attention if breathing difficulty persists.

Section 15 - Regulatory Information

No additional regulatory information.

Section 16 – Other Information

Disclaimer of responsibility:

The information on this MSDS was obtained from sources, which we believe are reliable. However, the information is provided without any warranty, expressed or implied, regarding its correctness. Some information presented and conclusions drawn herein are from sources other than direct test data on the substance itself. The conditions and methods of handling, storage, use and disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage, or expense arising out of or in any way connected with handling, storage, use, or disposal of this product. If the product is used as a component in another product, this MSDS information may not be applicable.
