

# AG850

## STICK WELDING GLOVES

Superior Gold Specially-Tanned Top Cow Grain Leather

The Armour Guard 850 welding glove is perfect for STICK welding applications for its high heat resistance.

It protects the hands in heated environments, thanks to AG850's gold top cow grain. It also resists stiffening and cracking due to the special tanning process.

Get extra gripping power for heavy-duty welding through the reinforced thumb. An extra layer of leather between the welted fingers increases spark resistance and resilience.

The foam-lined back provides additional protection from heat and flame protection.

The reinforced thumb creates incredible gripping power required in heavy-duty applications.

### Features

- Superior gold top cow grain that remains soft even while hot
- Premium reinforced leather drag pad that extends glove life and protects hand's side from high temperatures
- Epic performance in STICK applications
- 14" length
- DuPont™ Kevlar® stitching for enhanced strength and protection
- Additional strength and protection from reinforced thumb
- Continuous welted fingers to protect stitching
- Cotton/foam lined back for extra heat protection and comfort
- Unlined palm to increase dexterity
- Sizes: S, M, L, X-L, XX-L

### Technical Specifications

**Glove Material:** Superior gold top cow grain leather

**Cuff Material:** Split cowhide

**Lining:** Foam & cotton

**Stitching:** DuPont™ Kevlar®

**Closure:** Straight cuff

### Applications

- Shipyards
- Steel mills
- Construction
- Wind energy
- Gas
- Demolition
- Utility crews
- Oil pipelines
- Salvage
- Fabrication
- Manufacturing

### Packaging Information

Size	Item Number	Piece UPC	Case UPC - 60 Pcs
Small	AG850S	84308815610	84308815611
Medium	AG850M	84308815612	84308815613
Large	AG850L	84308815614	84308815615
X Large	AG850XL	84308815616	84308815617
XX Large	AG850XXL	84308815618	84308815619
