1/4" TWIN HOSE 100' HAND CRANK HOSE REEL

ITEM# BSTROJANHR

- First hose reel of this design that doesn't require a coupler when hooking up the regulator hose to the reel hose. Our male end facing terminal at the base of the reel adds convenience and durability.
- Ensure optimal hose condition and minimize accidents with our secure storage solution and included spool locking mechanism.
- Crafted to hold up to 100' of 1/4" oxy-fuel twin hose, this reel sets a new standard in convenience. Save time and effort with effortless hose extension and retraction, streamlining your setup and cleanup.
- Effortlessly extend and retract your hoses, saving you time and energy during setup and cleanup.
- Includes mounting bolt set.
