#### Product information

Made from FR duck fabric with a light FR quilted lining, this jacket brings both style and warmth to your work wear. Compliant to NFPA 70E with a protection level of CAT 4, it offers protection from both electric arc hazards as well as cooler temperatures, ensuring the wearer stay safe, warm and compliant.

#### Bizflame Duck

Engineered with maximum safety and comfort in mind, Bizflame Duck is a high-performance fabric constructed from 100% Cotton Duck 350g. Designed to bead away water, the wind resistant properties combined with lightweight insulation ensures the worker is protected from the elements. This unique collection provides exceptional flame resistant protection and is fully compliant to NFPA 70E with ARC3 protection against electric arc.

#### Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
