Product information

For that extra bit of grip. The PVC pattern on the palm and the back of the 7 gauge glove makes it an ideal choice for general handling work duties.

General Handling

The General Handling and Grip Glove category is still one of the most popular collections within the Portwest Hand Protection Range. A carefully selected range of coatings, including Latex, Nitrile, Polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
