

### A531 - Reinforced Winter Welding Gauntlet

**Collection:** Welders Gloves

**Range:** Gloves

**Materials:** Split Leather, Fleece, Aramid

**Inner Pack:** 6

**Outer Carton:** 48

#### Product information

Based on our most popular welding gauntlet A530. The A531 Reinforced Winter Welding Gauntlet is designed for working in cold conditions. The thick fleece lining provides excellent warmth. Aramid stitching provides greater durability.

#### Welders Gloves

Higher levels of protection are needed when a worker is dealing with extremely hot temperatures and heated materials. The Portwest Weld range has an expanding selection of hand protection solutions suitable for all welding and thermal risk.

#### Gloves

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
