Product information

Our Iona Xtra polo shirt incorporates the Iona enhanced visibility tape to make the wearer more visible. The fabric has superior wicking properties so moisture is drawn quickly away from the body - ideal for warm conditions.

Iona Xtra

The Iona Xtra range combines practical design and colours with reflective taping and contrast fluorescent material which gives extra visibility in low light conditions.

Workwear

The Workwear Collections offer a range of designs and features suitable for many end uses. Only the best quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.
