#### Product information

No Noise Ear Muff is part of our new generation of premium Ear Muffs. It has PU padded headband that provides maximum comfort during long periods of use. Its dual pin adjustable cups offers optimised fit. Excellent attenuation performance provides superior protection against harmful noise. Features reflective padded Headband for ultra comfort.

#### Ear Muffs

Portwest Hearing protection range includes PPE with different level sound attenuation, to be adapted to various working environments giving the correct protection from dangerous noise, without isolating the workers. New models and colours for earmuffs allow a personalised choice. An updated range of earplugs complete our competitive and performing offer.

#### Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.
