#### Product information

The Ultrasonic Tunnel Jacket provides outstanding warmth and insulation. This style uses revolutionary heat seal construction to form the baffle lines. Bonding the fabric without stitching or thread improves the water resistance and the chances of filling, clumping or shifting is completely reduced.

#### Portwest X3™

Engineered with exceptional fabric and designs, the new Portwest X3™ rainwear collection allows for optimal outdoor performance. Designed with a modern slim cut, each style offers multiple performance enhancing features. The highly waterproof and breathable fabrics used in this collection offer maximum protection against harsh weather conditions.

#### Rainwear

The following Rainwear collections offer an outstanding choice of designs and colours, suitable for many end users. The best quality fabrics and high technology construction techniques are used throughout, guaranteeing the ultimate in all-weather protection. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured with care to ensure total satisfaction wear after wear.
