

Sunlite 05275 LED Steel Exit Sign Combo, White Housing with Red Lettering, 90-Minute Battery Power Back-Up, Triple-360 Degree Adjustable Head Lamps, 200 Lumens, 120-277V, Fire Safety, NYC Compliant

DESCRIPTION:

The Sunlite LED Emergency Exit Sign is a slim, low-profile Exit Sign with standard bright Red LED letters. If you are looking for an exit sign lighting solution that does not take over your decor, this sign is perfect for you! This exit sign operates on either 120 or 277 volts, which is great for large complexes to small retail shops. This sign meets New York City Building Authority requirements and is damp located which is great for restaurants, bars, and office environments. With its universal mounting, it can easily be mounted to a ceiling or wall.

FEATURES:

- **SLIM & DURABLE** - The slim exit sign is made with corrosion-resistant steel that is built to last. With its steel casing, it can operate with voltage ratings of 120V-277Vac, making it perfect for commercial buildings, residential complexes, and retail shops. Due to the slim design, this commercial exit sign is great for positioning in office buildings, warehouses, doorways, and isles without taking over your décor.
- **NYC COMPLIANT** - New York City Building Authority has developed rigorous requirements for Exit Signs used in commercial and public buildings. Our exit signs meet these regulations with ultra-bright internal RED LEDs (200 Lumens), the word "EXIT" is in red, the exit sign can be seen from 200 meters away and the background is white. Even with their high-intensity LEDs, they consume very little energy; 4.5 watts to be exact. * Compliant in All 50 States
- **BACK-UP BATTERY** - Installed with a built-in 9.6V/900mAH Ni-CD battery. This backup battery provides 90-minutes of reserved power for outages. The adjustable LED lamps immediately go on when the power goes off. The battery automatically recharges within 24 hours after outages, so no replacement battery is necessary. *Optional Third Head Lamp included
- **EASY MOUNTING** – The steel exit sign can easily be mounted. With its universal mounting, this can easily become a single or double-sided ceiling exit sign. It could be mounted from the Back, Side and Top. Side and top knockouts available (mounting hardware included)
- **DAMP LOCATED** – This red LED exit sign is damp located and is suitable for bars, restaurants, and gyms. Also suitable for operation in ambient temperatures of -0 - 40 (32 - 104)
