

**Sunlite 87768 LED 13 Inch Slim  
Flushmount Ceiling Light Fixture, 21  
Watts (100W Equivalent), 1450 Lumens,  
Adjustable 5 CCT 2700K-5000K, 120V,  
Dimmable, 50,000 Hour Lifespan,  
Brushed Aluminum**

**DESCRIPTION:**

The Sunlite LED Slim Ceiling Light Fixture is a simple fixture that combines a classic look with modern features. Its frosted round diffuser, brushed aluminum accents, and versatility; make it perfect for bathrooms, kitchens, entryways, and anywhere else around your home. With integrated LED boards and suitability for damp areas, not only will it save you money on your electric bill, but also provides a strong functional light output. With its 5 adjustable color-changing technology (2700K-5000K), making our fixture the perfect light fixture for those new renovation projects; without breaking the bank!

**FEATURES:**

- **CLASSIC DESIGN:** The Sunlite Slim Flush Mount Ceiling Light fixture combines a classic finish and minimal shape, making for a lovely fixture. The frosted acrylic round diffuser provides the perfect light distribution, while still including the brushed aluminum mount as a central focus.
- **LOW PROFILE & POWER EFFICIENT:** Only 10 inches in diameter, this fixture has a low profile with a modern minimalistic design. It easily blends in with any open space. Perfect for spaces with little lighting. Awesome with a low ceiling designed areas as well! This fixture only draws 21 Watts of power yet emits enough light equivalent to an 100W incandescent light bulb. Simple but with amazing brightness due to its Lumen output of 1450!
- **ADJUSTABLE COLOR TEMPERATURE:** Test different color temperatures before installation and never be dissatisfied with CCT again. This simplistic fixture has adjustable LED color-changing technology (2700K, 3000K, 3500K, 4000K, 5000K), meeting different demands in areas easily. This could easily be done with a simple switch inside the fixture. PLEASE NOTE: select the desired color temperature before completely mounting the fixture. (instructions included).
- **DAMP LOCATED & CONVENIENT:** This flush mount ceiling light is suitable for damp locations, which is ideal for areas like kitchens or bathrooms. Since the color temperature can be easily adjusted; you can meet different needs as that require more coverage lighting like bedrooms, guestrooms, and garages. Great for the pantries and walk-in closets.
- **EASY INSTALLATION & LONG SERVICE LIFE:** Designed with the mounting plate, all it takes is a screw to mount the plate. Twist the brushed aluminum ring to mount the diffuser to the plate. (complete the installation steps will be included). With
