

SPILLTECH

MATERIAL SAFETY DATA SHEET

1. Product and Company Identification

Product Identifier: Polypropylene/Polyethylene Based Fibers LM1000

Item Numbers: GC1212, GC1225, GC1250

General Use: Ground Covers are placed underneath the Berm, directly on the ground and prevent underside punctures from sharp objects.

Product Description: Ground Cover

COMPANY PROFILE:

SpillTech
Brookley Industrial Park
Mobile, AL 36615

TELEPHONE NUMBERS:

Emergency: (770) 929-6609
Technical Information: 1 (800) 228-3877

2. Composition / Information on Ingredients

This material is not classified as hazardous under OSHA Hazard Communication Standard 29 CFR 1910.1200

3. Hazards Identification

No hazard anticipated under conditions of foreseeable use or exposure.

4. First Aid Measures

No adverse health effects are expected from exposure to this product. However, as with many materials, a very small percentage of the population may be allergic to one or more of the components that make up these products.

5. Fire Fighting Measures

Standard procedure for Class A fires

Extinguishing media: water spray, dry chemical, foam, carbon dioxide or halon may be used on fires involving this product.

Auto-ignition Temperature: >675°F / 329°C

6. Handling and Storage

Store in a sprinklered warehouse

7. Exposure Controls / Personal Protection

This product is not considered to present an inhalation health hazard under reasonable anticipated conditions of use.

SPILLTECH

MATERIAL SAFETY DATA SHEET
