

# Gator Container with New Improved Features

Available in 32 and 44 Gallon Sizes

## 32 and 44 Gallon Gator Container

Independent, third-party testing showed up to 75% reduction in pull force measurement required versus traditional designs

- Molded with highest quality polyethylene resin
- One piece molded construction: high impact and crush resistant
- With lid locked, container is animal and spill resistant even if tipped over
- Offset ridge design allows container to nest without jamming
- Handles have a larger radius and deeper well, making container more comfortable to lift and move
- Made of recyclable plastic; recycle code 7
- Independent, third-party testing proved impact sidewall toughness in temperature extremes (hot/cold)

75% reduction in pull force vs. traditional designs

revolutionary Gator anchor dolly with quiet casters

### Built-in Bag Pinches

Built-in Gator poly bag pinches - like Pinch'm®

### Air-Venting Passages

patented lift assist™ channels dramatically reduce the force required to remove a filled poly bag liner

### Deeper, Wider Hand Grips

Better hand grip pockets with a deep and wider opening for easier lifting and container dumping
